- E. The Contractor's insurance will apply separately to each insured against whom claim is made or suit is brought subject to the limits of the insurer's liability.
- F. The Contractor will include all subcontractors as insureds under its policies or will furnish separate certificates and endorsements for each subcontractor. All coverage for subcontractors will be subject to all of the requirements stated in these provisions.
- G. The insurance limits mandated for any insurance coverage required by the Contract are not intended to be an indication of exposure, nor are they limitations on indemnification.
- H. The Contractor will maintain all required policies in force from the time services commence until services are completed. Certificates, policies and endorsements scheduled to expire before completion of services will be renewed before expiration. If the Contractor's liability coverage is written as claims-made-policy, then the Contractor must evidence the purchase of an extended-reporting period or "tail" coverage for a three-year period after completion of the services.

The Contractor will furnish the County with properly executed certificates of insurance or a signed policy endorsement which will clearly evidence all insurance required in this Section before work under this Contract shall commence. The certificate will, at a minimum, list limits of liability and coverage. The certificate will provide that the underlying insurance contract may not be canceled, or allowed to expire, except on 30-days' prior written notice to the County. Any certificate or endorsement limiting or negating the insurer's obligation to notify the County of cancellation or changes must be amended so as not to negate the intent of this provision.
- C. The Contractor will furnish the County with evidence that the additional-insured provision required above has been met. Acceptable forms of evidence are the endorsement pages of the policy showing the County as an additional insured, or a letter of self-insurance from a public entity risk pool which waives the requirement.

- D. Certificates of insurance will show the certificate holder as Kitsap County and indicate "care of" the appropriate County office or department. The address of the certificate holder will be shown as the current address of the appropriate County office or department.
- E. The Contractor will request that the Washington State Department of Labor and Industries, Workers Compensation Representative, send verification to the County that the Contractor is currently paying workers' compensation.
- F. Evidence of such insurance, as required above, shall be provided to the County at the following address:

Stacey Smith, Administrator
Kitsap County Division of Aging and Long Term Care

Port Orchard, WA 98366

Upon receipt, the Human Services Department will ensure submission of all insurance documentation to the Risk Management Division, Kitsap County Department of Administrative Services.

SECTION 8. TERMINATION

- 8.1 The County may terminate the Contract in whole or in part whenever the County determines, in its sole discretion, that such termination is in the best interests of the County. In that event, the County will pay the Contractor for all costs incurred by the Contractor in performing the Contract up to the date of such notice, subject to the other provisions of the Contract.
- 8.2 If funding for the underlying project or matter is withdrawn, reduced or limited in any way after the Contract is signed or becomes effective, the County may summarily terminate the Contract notwithstanding any other termination provision in the Contract. Termination under this provision will be effective upon the date specified in the written notice of termination sent by the County to the Contractor. No costs incurred after the effective date of termination will be paid.
- 8.3 If the Contractor breaches any of its obligations under the Contract, and fails to cure the breach within 10 days of written notice to do so by the County, the County may terminate the Contract.
