

**ADDENDUM NO. 1
INVITATION FOR BID 2026-008
KITSAP COUNTY**

TO: All Respondents

FROM: Glen McNeill, Purchasing Supervisor

CLOSING DATE: Tuesday **03/10/2026 @2:00 pm**

REF NO.: **2025-008 RFP KITSAP COUNTY PARK FEE IMPACT STUDY**

DATE: 02/19/2026

This first addendum to RFP 2025-008 RFP KITSAP COUNTY PARK FEE IMPACT STUDY is for posting the questions and clarifications received.

1. Will the County be able to share the 2003 park impact fee study for reference?

The 2003 Park Impact Fee Study will be posted with this addendum, as well as the 2003 ordinance that set the rates and the 2025 ordinance that adopted the scaled impact fees to comply with recent changes in state law.

2. Are there methodological approaches the County is interested in exploring with this update?

Kitsap County is open to exploring different methodologies and would look to the selected consultant team to evaluate alternative methodologies and recommend the most appropriate methodology for Kitsap County to use based on the County's projected growth and park system.

3. Are there specific public meetings the County anticipates with the three scoped presentations?

Kitsap County has not planned specific meetings for this effort but anticipates these will likely include meetings with the Board of County Commissioners and the Parks Advisory Board and may include a community meeting.

4. Is there a budget or budget range anticipated for this scope of work?

Kitsap County declines to answer this question. Proposed fee is one of the evaluation criteria.
