KITSAP COUNTY**

**TO:** All Respondents

**FROM:** Glen McNeill. Purchasing Supervisor

**CLOSING DATE:** Wednesday **05/15/2026 @2:00 pm (CHANGED)**

**REF NO.:** **2026-016 IFB DYES INLET BULKHEAD REMOVAL AND SHORELINE RESTORATION**

**DATE:** 05/11/2026

---

This third addendum to RFP 2026-016 IFB DYES INLET BULKHEAD REMOVAL AND SHORELINE RESTORATION adds provisions to be addressed in the upcoming Hydraulic Project Approval permit revision will be in effect before project the start date. These new provisions are a draft and may be subject to changes before the permit revision is finalized.

1. Work may occur when the shoreline is inundated, so long as equipment tracks remain in the upland.
2. Any work that must occur in the water shall be limited to the minimum amount necessary, specifically, removal of the toe of the existing bulkhead and placement of the new cobble toe.
