- 3.3. Payment. - 3.4. Insurance/W-9 Compliance. All payments are expressly conditioned upon the Contractor's compliance with all insurance requirements and submission of a current IRS W-9 form to the County. Payments may be suspended in full in the event of noncompliance. Upon full compliance, payments will be released to the Contractor unless otherwise provided herein.
- 3.5. Restrictions. The Contractor will only be entitled to receive payment for Services expressly authorized in the Contract, and received during the Contract term and accepted by the County. The Contractor acknowledges oral requests and approvals of additional services or additional compensation are prohibited and unenforceable. Advance payments are not authorized.

SECTION 4. TERMINATION

- 4.1. For Convenience. The County may terminate the Contract, in whole or in part, without penalty, for any reason or no reason, with ten days prior notice to the Contractor.
- 4.2. For Funding issues. If any funding for Services is not available, withdrawn, reduced, or limited in any way, or if additional or modified conditions are placed on the funding after the Contract becomes effective, the County may: (1) accept a decreased price offered by the Contractor; (2) terminate the Contract; or (3) terminate the Contract and re-solicit the requirements.
- 4.3. Termination for Default. The County may immediately terminate the Contract, in whole or part, due to the failure of the Contractor to comply with any Contract term or condition, or to make satisfactory progress in performing the Contract, subject to the provisions of 11.1, or if the County determines the Contractor has been debarred, suspended or otherwise lawfully prohibited from participating in any public procurement activity. The Contractor shall immediately notify the County if the Contractor becomes suspended or debarred.
- 4.4. Procedures. Upon receipt of notice of termination, the Contractor shall stop all Services as directed in the notice, notify Personnel of the termination date, and minimize further costs. All goods, materials, documents, data, and reports prepared by the Contractor under the Contract shall become the property of, and delivered to, the County on demand. A final payment will be made to the Contractor only for Services performed and accepted by the County through the effective date of termination. No costs incurred after the effective date of the termination will be paid.

SECTION 5. INDEMNIFICATION

- 5.1. To the fullest extent permitted by law, the Contractor shall indemnify, defend, and hold harmless Kitsap County and its elected and appointed officials, officers, employees, and agents (collectively "Indemnitees") from and against all Claims resulting from or arising

AK

out of the performance of the Contract, whether such Claims arise from the acts, errors, or omissions of the Contractor, its Personnel, third parties, or Kitsap County, or anyone directly or indirectly employed by any of them or anyone for whose acts, errors, or omissions any of them may be liable. It is the specific intent of the parties that the Indemnitees shall, in all instances, except Claims arising from the sole negligence or willful misconduct of the Indemnitees, be indemnified by the Contractor from and against any and all Claims.

- 5.2. With regard to any Claim against any Indemnitee by any of the Contractor's Personnel, or anyone directly or indirectly employed by them, or anyone for whose acts they may be liable, the Contractor's indemnification obligation shall not be limited in any way by a limitation on the amount or type of damages, compensation, or benefits payable by or for the Contractor or Contractor's Personnel under workers compensation acts, disability benefit acts, or other employee benefit acts. Solely for the purposes of this indemnification provision, the Contractor expressly waives its immunity under Title 51 RCW (Industrial Insurance) and acknowledges this waiver was mutually negotiated by the parties.
- 5.3. Architectural, Landscape Architectural, Engineering, or Land Surveying Services. Should a court of competent jurisdiction determine the Contract is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Contractor and the County, its officers, officials, employees, and agents, the Contractor's liability hereunder, including the duty and cost to defend, will be only to the extent of the Contractor's negligence.
- 5.4. Claim. "Claim" means all losses, claims, suits, actions, liabilities, damages, demands, judgments, settlements, expenses, fines, or other liabilities of any kind or nature whatsoever, including without limitation, all costs including costs of Claim processing, investigation, reasonable attorneys' fees, and damages, for any personal or bodily injury, sickness, disease, disability, or death, or loss or damage to tangible or intangible business or property, including the loss of use. Claim includes any infringement of copyright, patent, trademark, or other proprietary rights of any third parties arising out of Contract performance or use by the County of materials furnished or work performed under the Contract.
- 5.5. Obligations/Notice of Claim. The County will provide the Contractor notice of the assertion of liability by a third party that may give rise to a Claim by County against the Contractor based on the indemnity contained herein. The Contractor shall respond to the County's tender of defense of a claim in writing within fourteen (14) calendar days from the notice date, and will advise the County if the Contractor accepts or denies tender of the claim. The County may in its discretion withhold all or part of any payment due the Contractor under the Contract until the Contractor responds to such notice. The Contractor shall keep the County timely and fully informed through all stages of the defense and promptly respond to and comply with County's requests for information. The County at all times reserves the right, but has no obligation to participate in the defense and settlement of any Claim. Such participation shall not constitute a waiver of the Contractor's indemnity and defense obligations under the Contract. The Contractor shall not settle or compromise any Claim in any manner that imposes any obligations upon the County without the prior written consent of the County. The Contractor shall promptly advise the County of any occurrence or information known to the Contractor that could reasonably result in a Claim against the County. The violation of any provisions of this Section, including improper refusal to accept tender, is a material breach.

SECTION 6. INSURANCE

- 6.1. Minimum Insurance Required. The Contractor and its subcontractors, if any, shall procure and maintain, until all of the Contract obligations have been fully discharged, including any warranty period, all insurance required in this Section with an insurance company duly licensed in Washington State with an A.M. Best Company ratings of not less than A-VIII and a category rating of not less than "8", with policies and forms satisfactory to the County. Use of alternative insurers requires prior written approval from the County. Coverage limits shall be at minimum the limits identified in this Section, or the limits available under the policies maintained by the Contractor without regard to the Contract, whichever is greater.

- 6.2. Professional Liability. Not less than \$1,000,000 per claim and \$2,000,000 annual aggregate. Coverage will apply to liability for professional error, act or omission arising out of or in connection with the Contractor's Services under the Contract. The coverage shall not exclude bodily injury, property damage or hazards related to the work rendered as part of the Contract or within the scope of the Contractor's services under the Contract, including testing, monitoring, measuring operations or laboratory analysis where such Services are rendered under the Contract.

- 6.3. Commercial General Liability ("CGL"). Not less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate. Coverage shall include personal injury, bodily injury, and property damage for premise-operations liability, products/completed operations, personal/advertising injury, contractual liability, independent contractor liability, and stop gap/employer's liability. Coverage shall not exclude or contain sub-limits less than the minimum limits required herein, without the prior written approval of the County. The certificate of insurance for the CGL policy shall expressly cover the indemnification obligations required by the Contract.

- 6.4. Automobile Liability.
 - Contractor shall maintain personal automobile insurance on all vehicles used for Contract purposes as required by law.

 - Not less than \$100,000 per occurrence and \$300,000 annual aggregate. If a personal automobile liability policy is used to meet this requirement, it must include a business rider and cover each vehicle to be used in the performance of the Contract. If Contractor will use non-owned vehicles in performance of the Contract, the coverage shall include owned, hired, and non-owned automobiles.

 - Not less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate. Coverage shall include liability for any and all owned, hired, and non-owned vehicles. Coverage may be satisfied with an endorsement to the CGL policy.

- 6.5. Umbrella or Excess Liability. The Contractor may satisfy the minimum liability limits required for the CGL and Automobile Liability under an Umbrella or Excess Liability policy. There is no minimum per occurrence limit of liability under the Umbrella or Excess Liability; however, the annual aggregate limit shall not be less than the highest "Each Occurrence" limit for either CGL or Automobile Liability. The Contractor agrees to an endorsement naming the County as an additional insured as provided in this Section, unless the Umbrella or Excess Liability provides coverage on a "Follow-Form" basis.

- JK
- 6.6. Workers' Compensation and Employer Liability. If applicable, the Contractor shall maintain workers' compensation insurance as required under the Title 51 RCW (Industrial Insurance), for all Contractor's Personnel eligible for such coverage. If the Contract is for over \$50,000, then the Contractor shall also maintain employer liability coverage with a limit of not less than \$1,000,000.
- 6.7. Primary, Non-Contributory Insurance/Subcontractors. The Contractor's and its subcontractors' insurance policies and additional named insured endorsements will provide primary insurance coverage and be non-contributory. Any insurance or self-insurance programs maintained or participated in by the County will be excess and not contributory to such insurance policies. All Contractor's and its subcontractors' liability insurance policies must be endorsed to show as primary coverage. The Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All subcontractors shall comply with all insurance and indemnification requirements herein.
- 6.8. Review of Policy Provisions. Upon request, the Contractor shall provide a full and complete copy of all requested insurance policies to the County. The County reserves the right without limitation, but has no obligation to revise any insurance requirement, or to reject any insurance policies that fail to meet the requirements of the Contract. The County also has the right, but no obligation to review and reject any proposed insurer providing coverage based upon the insurer's financial condition or licensing status in Washington. The County has the right to request and review the self-insurance retention limits and deductibles, and the Contractor's most recent annual financial reports and audited financial statements, as conditions of approval. Failure to demand evidence of full compliance with the insurance requirements or failure to identify any insurance deficiency shall not relieve the Contractor from, nor be construed or deemed a waiver, of its obligation to maintain all the required insurance at all times as required herein.
- 6.9. Waiver of Subrogation. In consideration of the Contract award, the Contractor agrees to waive all rights of subrogation against the County, its elected and appointed officials, officers, employees, and agents. This waiver does not apply to any policy that includes a condition that expressly prohibits waiver of subrogation by the insured or that voids coverage should the Contractor enter into a waiver of subrogation on a pre-loss basis.
- 6.10. Additional Insured, Endorsement and Certificate of Insurance. All required insurance coverage, other than the workers' compensation and professional liability, shall name the County, its elected and appointed officials, officers, employees, and agents, as additional insureds and be properly endorsed for the full available limits of coverage maintained by Contractor and its subcontractors. Endorsement is not required if the Contractor is a self-insured government entity, or insured through a government risk pool authorized by Washington State.

The Certificate of Insurance and endorsement shall identify the Contract number and shall require not less than thirty (30) days' prior notice of termination, cancellation, nonrenewal or reduction in coverage. At the time of execution, the Contractor shall provide the Certificate of Insurance, endorsement, and all insurance notices to: Risk Management Division, Kitsap County Department of Administrative Services, 614 Division Street, MS-7, Port Orchard, Washington 98366.

- 6.11. General. The coverage limits identified herein are minimum requirements only and will not in any manner limit or qualify the liabilities or obligations of the Contractor under the Contract. All insurance policy deductibles and self-insured retentions for policies maintained under the Contract shall be paid by the Contractor. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the County, its elected and appointed officials, officers, employees, or agents. The Contractor's insurance shall apply separately to each insured against whom a claim is made or suit is brought, subject to the limits of the insurer's liability.
- 6.12. Claims-Made. If the Contractor's liability coverage is written as a claims-made policy, the Contractor shall purchase an extended-reporting period or "tail" coverage for a minimum of three (3) years following completion of the performance or attempted performance of the provisions of this Contract.

Any purported assignment or transfer in violation of this section shall be void.

"Subcontract" means any contract, express or implied, between the Contractor and another party or between a subcontractor and another party delegating or assigning, in whole or in part, the making or furnishing of any material or service for the performance of the Contract. All subcontracts shall incorporate by reference the terms and conditions of this Contract. The Contractor is solely responsible for the performance and payment of its subcontractors.
- 8.5. **Independent Contractor.** Each party under the Contract shall be for all purposes an independent contractor. Nothing contained herein will be deemed to create an association, a partnership, a joint venture, or a relationship of principal and agent, or employer and employee between the parties. The Contractor shall have complete responsibility and control over its Personnel. Neither the Contractor nor its Personnel shall be, or be deemed to be, or act or purport to act, as an employee, agent or representative of the County. All such property shall constitute "work made for hire" as defined by the U.S. Copyright Act of 1976, 17 U.S.C § 101, and the ownership of the copyright and any other intellectual property rights in such property shall vest in the County at the time of its creation. Ownership of the intellectual property includes the right to copyright, patent, and register, and the ability to transfer these rights. Material the Contractor uses to perform this Contract that is not created, prepared, constructed, assembled, made, performed, or otherwise produced for or paid for by the County is owned by the Contractor and is not "work made for hire" within the terms of the Contract.
- 9.2. **Confidential Information/Breach.** The Contractor shall ensure that all personal identifying information, financial information, and other information submitted or made available to the Contractor by, or on behalf of, the County, or acquired or developed by the Contractor in the performance of the Contract (unless publicly available) is kept confidential, secured, and protected to prevent unauthorized access. - 10.5. Public Records. The Contractor agrees that the Contract and all records associated with the Contract shall be available to the County for inspection and copying by the public pursuant to the Public Records Act, Chapter 42.56 RCW ("Act"). If the County determines that records in the custody of the Contractor are needed to respond to a request under the Act, the Contractor shall make all such records promptly available to the County at no cost to the County. With the exception of the Contract, if the Contractor considers any portion of any record, electronic or hard copy, to be protected from disclosure under the Act, the Contractor shall clearly identify all specific information it claims to be confidential or proprietary. If the County receives a request under the Act to inspect or copy proprietary information that has been identified by the Contractor as protected from disclosure and the County determines that release of the information is required by the Act or otherwise appropriate, the County's sole obligation will be to make a reasonable effort to notify the Contractor of the request and the date that such protected information will be released unless the Contractor obtains a court order to enjoin disclosure pursuant to RCW 42.56.540. If the Contractor fails to timely obtain a court order enjoining disclosure, the County will release the requested information on the date specified. The County has no obligation on behalf of the Contractor to claim any exemption from disclosure under the Act. The County will not be liable to the Contractor for releasing records pursuant to the Act.

The Contractor and its Personnel shall retain all books, documents, and records relating to performance of the Contract and Services provided in connection with this Contract for six (6) years after completion of the Contract or longer if requested by the County. All records shall be subject to inspection and audit by the County. Upon request, the Contractor shall promptly make available to the County a legible copy of all books, documents, and records at no cost to the County.

SECTION 11. RIGHTS AND REMEDIES

11.1. Failure to Perform. If County determines the Contractor has failed to perform any material obligation of the Contract, and such failure has not been cured within ten (10) days' following notice from the County, the County may without penalty, in its discretion, withhold all monies due the Contractor until such failure is cured to the reasonable satisfaction of the County.

11.2. Right of Assurance. If the County in good faith has reason to believe the Contractor does not intend, or is unable to perform, or continue performing under the Contract, the County may demand in writing that the Contractor give a written assurance of intent to perform. Should the Contractor fail to provide adequate assurance to the reasonable satisfaction of the County, by the date specified the demand, the County may terminate all or part of the Contract and pursue all other rights and remedies available at law and in equity.

11.3. Responsibility for Errors. All Services shall be completed to the reasonable satisfaction of the County and as required herein. Upon request, the Contractor shall provide any clarifications and/or explanations regarding any Services provided as required by the County, at no additional cost to the County. The Contractor shall continue to be responsible for the accuracy of Services, even after the Work is accepted by the County and the termination or expiration of the Contract.

11.4. Remedies. All County rights and remedies under the Contract are in addition to, and shall in no way limit, any other rights and remedies that may be available to the County at law and in equity.

11.5. Right of Off-Set; Reimbursement. The County will be entitled to offset against any sums due the Contractor and to reimbursement from the Contractor for any damages, expenses, or costs incurred by the County due to the Contractor's nonconforming performance or failure to perform the Services under the Contract.

11.6. Waiver. Either party's failure to insist upon the strict performance of any provision of the Contract, or to exercise any right based upon a breach thereof or the acceptance of any performance during such breach, will not constitute a waiver of any right or remedy under the Contract unless expressly so agreed in writing by an authorized representative.

11.7. Breach. In the event of a material breach by the Contractor, the County may procure, on terms and in the manner that it deems appropriate, Services to replace those under the Contract. The Contractor shall be liable to the County for any and all costs, expenses, penalties, and fees incurred by the County in procuring such Services in substitution for those due from the Contractor under the Contract.

If a court of competent jurisdiction holds any provision of the Contract to be illegal, invalid, or unenforceable, in whole or in part, the validity of the remaining provisions will not be affected, and the parties' rights and obligations will be construed and enforced as if the Contract did not contain the particular provision held to be invalid. Tikar Services LLC

Scope of Work

Install and removal of the Salsbury boat handling pier

Due to the construction of the floats at Salsbury Point there is a specific order and orientation that they must be installed on the pilings. If they are not installed in the correct order and orientation the tolerances are too tight and it is not possible to install the floats without damaging them or the pilings.

The floats weigh between 5,000-8,000lbs depending on length of if they have been in the water over the summer season. The ramp is slick and at an incline. Due to this the smallest machine to be found that works for installation and removal is a 10,000lb telehandler with 6 ft forks

Float Installation

1. The most internal float must be placed while the tide is high enough to maneuver it without damage. (10.5)
2. Counting from shoreward would place float number 2 into place fully.
3. Place all floats in water in accordance with their relative order that they will be installed (I.E. end float in water first, then next float closer to shore and so on)
4. Tuck the shoreward side of each float into its installation location.
5. Starting for the most outward of the inner floats, rotate the seaward side of the float into position on pilings.
6. Shift float to provide maximum spacing for the next shoreward side float to be rotated into position.
7. After all floats are rotated into place bolt them together

Gangway Installation

1. Remove temporary railing bars
2. lift gangway in to place
3. install bolts

Price included labor at prevailing wage and equipment.

Float Removal

Reverse order starting with tying sections together and removing bolts

SOLE SOURCE REQUEST FOR THE PURCHASE OF:
The yearly installation and removal of the Salsbury dock.

REQUESTED SUPPLIER

COMPANY NAME:	<u>Tikar</u>
MAILING ADDRESS:	<u>P.O. Box 313, Silverdale, WA. 98333</u>
REPRESENTATIVE NAME:	<u>Tim Knapp</u>
PHONE NUMBER:	<u>360-340-5642</u>
EMAIL:	<u>timknapp@tikarservices.com</u>
COST ESTIMATE:	<u>\$5,500 annually (3 year contract preferred)</u>

STATEMENT OF NEED: Kitsap County Parks is seeking to utilize a contractor who is familiar with the particular process of the sequencing and timing of the installation and removal of the dock. Tikar is the only local vendor that provides this service, scheduling another contractor would put Parks "outside the window" of opportunity to install in accordance with Tribal agreed upon time frame and would not be cost effective. See scope of work attached:

Recommendation for sole source purchase based upon an objective review of the product, equipment or service being required and appears to be in the best interest of the County. I know of no conflict of interest on my part or personal involvement in any way with this request. No gratuities, favor or compromising action have taken place. Neither has my personal familiarity with brands, types of equipment, materials or firms been a deciding influence on my request to sole source this purchase when there are other known suppliers to exist.
