RE: Large Lot Subdivision # 436 - Pound
Permit No. 22-01219
Tax Account No. 362701-4-018-2004

Dear Applicant:

This is to inform you that the above-referenced large lot subdivision has been granted **preliminary** approval.

This decision is in compliance with Kitsap County Code 21.04 Land Use and Development Procedures. All applicable criteria have been met for preliminary large lot subdivision in accordance with Kitsap County Code Title 16.52 large lot subdivision.

The Department has further determined that the land segregation as it is presented in the preliminary large lot subdivision, received 08/02/2022 by the Department of Community Development, conforms or will conform subject to conditions set forth in this letter, to the following:

1. Kitsap County Code Title 17 Zoning.
2. Kitsap County Code Title 12 Storm Water Drainage.
3. Kitsap County Comprehensive Plan and subarea plans.
4. Kitsap County Critical Areas Ordinance.
5. And all other elements of the Kitsap County Code that pertain to this land segregation.

Approval is subject to the following conditions:

LAND USE

1. Adhere to all elements and requirements set forth in Kitsap County Code 16.52.
2. The following condition shall be added to the face of the final large lot subdivision: Building permits issued on a lot in this large lot subdivision may be subject to impact fees pursuant to Kitsap County Code.
3. All required permits shall be obtained prior to commencement of land clearing, construction and/or occupancy.
4. The decision set forth herein is based upon representations made and exhibits contained in the project application (22-01219). Any change(s) or deviation(s) in

such plans, proposals, or conditions of approval imposed shall be subject to further review and approval of the County and potentially the Hearing Examiner.

5. The authorization granted herein is subject to all applicable federal, state, and local laws, regulations, and ordinances. Compliance with such laws, regulations, and ordinances is a condition to the approvals granted and is a continuing requirement of such approvals. By accepting this/these approvals, the applicant represents that the development and activities allowed will comply with such laws, regulations, and ordinances. If, during the term of the approval granted, the development and activities permitted do not comply with such laws, regulations, or ordinances, the applicant agrees to promptly bring such development or activities into compliance.
6. A native vegetation buffer around the perimeter of the large lot subdivision, minimum twenty-five feet wide, shall be noted on the Final Plat and indicated in the drawings.
7. Existing native vegetation shall be retained on the site except for areas to be cleared for the construction of the new residence as depicted on land use approval.

SURVEY

1. A Final Short/Large Lot/Subdivision Plat shall be prepared by a licensed Land Surveyor in compliance with KCC Title 16.
2. A Road Maintenance Agreement will be required for the access easements shown on the face of the plat. This may be in the form of a note on the face of the Final Plat that addresses ownership and maintenance responsibilities of the access easement, or in the form of a Road Maintenance Agreement document to be recorded separately and referenced on the face of the Final Plat.
3. A note on the face of the plat: Lot 1 & 2 shall access only using 30-foot easement established with this large lot.

STORMWATER

1. Construction plans and profiles for all roads, storm drainage facilities and appurtenances prepared by the developer's engineer shall be submitted to Kitsap County for review and acceptance. No construction shall be started prior to said plan acceptance.
2. The information provided demonstrates this proposal is a Small Project as defined in Kitsap County Code Title 12 and as such will require an Abbreviated Drainage Site Development Activity Permit (SDAP) from Development Engineering.
3. Stormwater quantity control, quality treatment, and erosion and sedimentation control shall be designed in accordance with Kitsap County Code Title 12 effective at the time the SDAP (or Building Permit if no SDAP required) application is deemed fully complete. The submittal documents shall be prepared by a civil engineer licensed in the State of Washington. The fees and submittal

requirements shall be in accordance with Kitsap County Code in effect at the time of SDAP application, or Building Permit if an SDAP is not required.

4. The following shall be added to the face of the Final Plat, under the heading Notes and Restrictions:
 - a. Maintenance of roof and yard drains and appurtenances shall be the responsibility of the individual homeowners.
 - b. All runoff from roof and yard drains must be directed so as not to adversely affect adjacent properties.
5. The following condition shall be added to the face of the Final Plat: At the time of submittal of a building permit for any lot within this plat, soil amendment is required for all disturbed areas not covered by hard surface.
6. The owner shall be responsible for maintenance of the storm drainage facilities for this development following construction. Before requesting final inspection for the SDAP (or for the Building Permit if an SDAP is not required) for this development, the person or persons holding title to the subject property for which the storm drainage facilities were required shall record a Declaration of Covenant that guarantees the County that the system will be properly maintained. Wording must be included in the covenant that will allow the County to inspect the system and perform the necessary maintenance in the event the system is not performing properly. This would be done only after notifying the owner and giving him a reasonable time to do the necessary work. Should County forces be required to do the work, the owner will be billed the maximum amount allowed by law.
7. If the project proposal is modified from that shown on the site plan approved for this permit application, Development Services and Engineering will require additional review and potentially new conditions.

TRAFFIC & ROADS

1. At building permit application, submit Kitsap County Public Works Form 1601 for issuance of a concurrency certificate, as required by Kitsap County Code 20.04.030, Transportation Concurrency.
2. Prior to recording the Final Plat, vehicular access shall be constructed to provide access to all proposed lots.
3. The interior roads of the proposed plat shall be designed and constructed in accordance with Fire Marshal standards for emergency vehicular access.
4. The following shall appear on the face of the Final Plat, under the heading Conditions:
 - a. All interior roads shall remain private. Should the applicant or his successors or assigns choose to dedicate these roads to Kitsap County, it shall be subject to a further review by Kitsap County Development Services and Engineering. All improvements necessary to bring said road to the then current Kitsap County standards shall be done, at no expense to the County, prior to being accepted into the Kitsap County road system for

- maintenance.
- b. All lots shall access from interior roads only.
 - c. Road approach permits shall be obtained prior to commencement of work on an individual lot.
5. The hammerhead shall be designed to accommodate a SU design vehicle. The dumpster enclosure shall not be considered as part of the hammerhead. The wheel path of the design vehicle shall remain within the paved area for all required movements.
 6. All rights of access for adjoining properties currently in existence shall be preserved. Any amendment to the existing easement rights of adjoining property owners shall be properly executed and recorded prior to SDAP acceptance or Building Permit approval, if a SDAP is not required.
 7. The property owners shall be responsible for maintenance of all landscaping within the existing and proposed right-of-way including any structures other than roadway, storm drainage facilities, and traffic signage. Maintenance shall include, but not be limited to, mowing of lawn areas. A note to this effect shall appear on the accepted construction plans. In addition, Development Services and Engineering reserves the right to require that covenants be recorded to address special maintenance requirements depending on final design.
 8. Any work within the County right-of-way shall require a Public Works permit and possibly a maintenance or performance bond. This application to perform work in the right-of-way shall be submitted as part of the SDAP process, or Building Permit process, if a SDAP is not required. The need for and scope of bonding will be determined at that time.

ENVIRONMENTAL

1. Lots 1 and 2 will require additional geotechnical studies specific to proposed structures at the time of building permit.

FIRE MARSHAL

1. Fire apparatus access roads shall comply with all the following: Unobstructed width of 20 feet and height of 13 feet 6 inches. Shall be designed and maintained to support a 60,000-pound fire apparatus. and be provided with an all-weather driving surface. Inside turning radiuses shall be a minimum of 25 feet. Fire Marshal approved fire apparatus turn around.
2. "Automatic fire sprinklers, as approved by the Kitsap County Fire Marshal, shall be installed throughout homes here and after constructed on lots created by this land division."

HEALTH DISTRICT

1. A building site application will be needed to obtain a building permit for Lot #1.

SOLID WASTE

1. Prior to SDAP approval, applicant shall provide documentation from the solid waste/recycling service provider that their requirements for this project have been met. Waste Management Northwest can be reached at pnwcm services@wm.com or 1-800-592-9995; their website is <http://wmnorthwest.com/kitsap/index.html>

Preliminary approval of this large lot subdivision will automatically expire five (5) years from the date of this letter. However, upon written request to the Department of Community Development by the original applicant and the current owner(s) of the subject property, at least thirty (30) days prior to expiration, a six (6) month extension may be granted.

Preparation of the final large lot subdivision shall be done in accordance with Kitsap County Code 16.52. All applicable conditions of preliminary approval must be addressed with the submittal of final large lot subdivision application. Submittals that do not address all conditions will be considered incomplete and returned without review. All of the above relevant conditions and any/all building setbacks and buffers established as conditions of approval must appear on the final large lot subdivision.
