RE: Large Lot Subdivision #450 – Moran & Soledad
Permit No. 23-03005
Tax Account No. 082602-2-046-2008

Dear Applicant(s):

This is to inform you that the above-referenced large lot subdivision has been granted **preliminary** approval.

This decision is in compliance with Kitsap County Code 21.04 Land Use and Development Procedures. All applicable criteria have been met for preliminary large lot subdivision in accordance with Kitsap County Code Title 16.52 Large Lot Subdivision.

The Department has further determined that the land segregation as it is presented in the preliminary large lot subdivision, received 08.03.2023 by the Department of Community Development, conforms or will conform subject to conditions set forth in this letter, to the following:

1. Kitsap County Code Title 17 Zoning;
2. Kitsap County Code Title 12 Storm Water Drainage;
3. Kitsap County Comprehensive Plan and subarea plans;
4. Kitsap County Critical Areas Ordinance;
5. And all other elements of the Kitsap County Code that pertain to this land segregation.

Approval is subject to the following conditions:

LAND USE

1. Adhere to all elements and requirements set forth in Kitsap County Code 16.52.
2. The following condition shall be added to the face of the final large lot subdivision: Building permits issued on a lot in this large lot subdivision may be subject to impact fees pursuant to Kitsap County Code.
3. The names of the roads in this land segregation shall be approved by Community Development prior to final subdivision approval.

4. All required permits shall be obtained prior to commencement of land clearing, construction and/or occupancy.
5. The decision set forth herein is based upon representations made and exhibits contained in the project application (23-03005). Any change(s) or deviation(s) in such plans, proposals, or conditions of approval imposed shall be subject to further review and approval of the County and potentially the Hearing Examiner.
6. The authorization granted herein is subject to all applicable federal, state, and local laws, regulations, and ordinances. Compliance with such laws, regulations, and ordinances is a condition to the approvals granted and is a continuing requirement of such approvals. By accepting this/these approvals, the applicant represents that the development and activities allowed will comply with such laws, regulations, and ordinances. If, during the term of the approval granted, the development and activities permitted do not comply with such laws, regulations, or ordinances, the applicant agrees to promptly bring such development or activities into compliance.

SURVEY

1. At the time of submittal of the final large lot subdivision a title certificate, current to within 30 days, is required. Please note or delineate on the face of the final large lot subdivision all pertinent special exception items in Schedule “B” of the title certificate.
2. A Final Short/Large Lot/Subdivision Plat shall be prepared by a licensed Land Surveyor in compliance with KCC Title 16.
3. A Road Maintenance Agreement will be required for the access easements shown on the face of the plat. This may be in the form of a note on the face of the Final Plat that addresses ownership and maintenance responsibilities of the access easement, or in the form of a Road Maintenance Agreement document to be recorded separately and referenced on the face of the Final Plat.

STORMWATER

1. Building permits submitted for development of lots within this Large Lot Subdivision shall include construction plans and profiles for all roads, driveways, storm drainage facilities and appurtenances. No construction shall be started prior to said plan acceptance.
2. Stormwater quantity control, quality treatment, and erosion and sedimentation control, as required for the development, shall be designed in accordance with Kitsap County Code Title 12 effective at the time the Building Permit is deemed fully complete. If development meets the thresholds for engineered drainage design, the submittal documents shall be prepared by a civil engineer licensed in the State of Washington. The fees and submittal requirements shall be in accordance with Kitsap County Ordinances in effect at the time of Building Permit Application.

3. The following shall be added to the face of the Final Plat, under the heading Notes and Restrictions:
 - a. Maintenance of roof and yard drains and appurtenances shall be the responsibility of the individual homeowners.
 - b. All runoff from roof and yard drains must be directed so as not to adversely affect adjacent properties.
 - c. No owner or occupant may obstruct or re-channel the drainage flows after location and installation of drainage swales, storm sewers or storm drains. It is expressly understood that any alteration of the water flow shall be completed only after approval by Kitsap County Department of Community Development.
4. The following condition shall be added to the face of the Final Plat: At the time of submittal of a building permit for any lot within this plat, soil amendment is required for all disturbed areas not covered by hard surface.
5. If the project proposal is modified from that shown on the site plan approved for this permit application, Development Engineering will require additional review and potentially new conditions.

TRAFFIC & ROADS

1. At building permit application, submit Kitsap County Public Works Form 1601 for issuance of a concurrency certificate, as required by Kitsap County Code 20.04.030, Transportation Concurrency.
2. On the face of the plat under notes provided the following:
 1. Access road will be maintained at 20 in width with inside radiuses of a minimum of 25 and support a 60,000 pounds with all-weather driving surface.
 2. No parking signs NO PARKING FIRE LANE will be provided and maintained.
3. The following shall appear on the face of the Final Plat, under the heading Conditions:
 - a. All interior roads shall remain private. Should the applicant or his successors or assigns choose to dedicate these roads to Kitsap County, it shall be subject to a further review by Kitsap County Development Engineering. All improvements necessary to bring said road to the then current Kitsap County standards shall be done, at no expense to the County, prior to being accepted into the Kitsap County Road system for maintenance.
 - b. All lots shall access from interior roads only.
4. Site access shall be verified and designed per Section 4.2 of the current Kitsap County Road Standards at the time of SDAP; or prior to final large lot approval if an SDAP is not required.

- Any work within the County right-of-way shall require a Public Works permit and possibly a maintenance or performance bond. This application to perform work in the right-of-way shall be submitted as part of the SDAP process, or Building Permit process, if a SDAP is not required. The need for and scope of bonding will be determined at that time.

Preliminary approval of this large lot subdivision will automatically expire five (5) years from the date of this letter. However, upon written request to the Department of Community Development by the original applicant and the current owner(s) of the subject property, at least thirty (30) days prior to expiration, a six (6) month extension may be granted.

Preparation of the final large lot subdivision shall be done in accordance with Kitsap County Code 16.52. All applicable conditions of preliminary approval must be addressed with the submittal of final large lot subdivision application. Submittals that do not address all conditions will be considered incomplete and returned without review. All of the above relevant conditions and any/all building setbacks and buffers established as conditions of approval must appear on the final large lot subdivision.

If you have any questions or comments regarding this letter, please feel free to contact **Peggy Bakalarski** for Survey matters; **Enita Liang** for Stormwater and Traffic matters; **Darren Gurnee** for Land Use/Environmental matters; **Tina Turner** for Fire Marshal matters; all of whom can be reached at (360) 337-5777.

Sincerely,

Peggy Bakalarski, Project Lead
