Parking Lat Which department is going to own/maintain these new systems? (intake checklists, outlook calendar for debriatings, etc.)	
i diving tot	
Parking Lot If a need for a higher order permit is identified, it could be changed to a new status, indicating that they can't move forward until T21 is done.	
Parking Lot Hiring biologist for complex environmental review.	
Parking Lot Walking back resubmittals by cycle (no more than 6 cycles, review required, etc.)	
Parking Lot As different departments take on expanded roles and additional duties, how are we providing compensation?	
Parking Lot Tracking parent-child (related) permits. (comprehensive through life of the project)	
Parking Lot Divisional meetings must touch on list of projects being worked on by 2x6	
Parking Lot How can we make sure pre-app meetings are successful? Do we use a checklist?	
Parking Lot Do professionals need to be involved in pre-apps?	
Parking Lot GIS generator station in lobby to bring to lobby person as a prep?	
Parking Lot Informed brochures on FAQs for who/what/how interested parties	
Parking Lot How to enfold new staff training and 2x6 process	
Parking Lot How will the new permit process affect the permit report currently send to the CACs in the county? So we see where it is in the 2x6 process.	
References to "DCD" or "County" inbox - is that intended as an expansion of the DCD Admin Inbox? Which currently is primarily for internal admin communication. OR is this meant for K1 or new altogether than the primarily for internal admin communication.	ther?
Parking Lot How do interagency comments/feedback interact in the 2x6 process? For example, PW review, KPHD review, Purveyor review, etc.	
Parking Lot For efficiency is it better for reviewers to be specialized? Either XYZ reviewer looks at XYZ application types, or XYZ reviewer does environmental and ABC reviewer does LU?	

Parking Lot Items		
Category	Post-it Post-it	
Parking Lot	Recruit biologist on staff	
Parking Lot	If there is going to be an expansion of Admin, capacity MUST be addressed if new duties and tasks are expected. Also need clear direction or instruction on how to process new activities	
Parking Lot	Definition of "time out" scenario and who does what	
Parking Lot	Effect of double up on workload/hours for SDAP/LU concurrent review/consolidated review	
Parking Lot	2 types of pre-app meetings: have a standard of 30% plans for one and a conceptual plan (basic) for another	
Parking Lot	2 types of pre-apps? Phase 1 and phase 2?	
	If 2x6 works on land use, then waiting to submit SDAP works. However, there are times concurrent review makes sense. Recommend not eliminating concurrent review as timelines improving and will result in	
Parking Lot	applicants submitting land use followed by SDAP, but have concurrent review option would be appreciated for times when it make sense. Maybe this is determined at kick off meeting? An example of when	
	concurrent review makes sense is when CUP land use is required for an ADU that triggers an SDAP.
