PLANNING COMMISSION

Executive Summary

Issue Title: Department of Community Development: Amend Countywide Planning Policies – Update Appendix D - List of Centers

Meeting Date: 11/17/2026

Time Required: 20 minutes

Attendees: Jim Rogers, Community Planning Supervisor, DCD

Action Requested at this Meeting: No action necessary – briefing only.

Background: In 2021, under County Ordinance 601-2021, the Kitsap County Board of Commissioners (BOCC) adopted updates to the Countywide Planning Policies (CPP). These CPPs were developed by the Kitsap Regional Coordinating Council (KRCC) consistent with the Puget Sound Regional Council's (PSRC) Vision 2050 and state law changes that occurred since the CPPs were last updated in 2015. Proposed revisions were reviewed by several technical and policy committees and adopted by the BOCC in March 2024 in advance of the 2024 periodic update of comprehensive plans.

This briefing outlines BOCC acceptance of KRCC's approval of the CPP amendment, to include revision to Appendix D - List of Centers. These proposed revisions are in alignment with Appendix A - Kitsap Countywide Planning Policy Ratification Process and do not require any changes to the overall Elements of the CPPs.

A SEPA Programmatic Determination of Nonsignificance was issued September 29, 2026. The comment period ended October 12, 2026, with no comments received.
