

Toward a Natural Resources Asset Management Plan for Kitsap County Workshop #2 Agenda

Date: April 12, 2024, 1:00-3:00 pm PT

Goals:

- Review and refine a draft Pilot Watersheds Priority Actions Matrix
- Review a draft KNRAMP County-Wide Decision-Making Framework to guide the KNRAMP program in:
 - o Identifying recommended actions for restoration and preservation in response to the County-wide Level of Service (LOS) status for forests, streams, and marine shorelines.
 - o Coordinating actions with Kitsap County departments to inform priority setting and investment decisions.
 - o Brief look at the County-wide map with the forests LOS to provide reflections on how a County-Wide Decision-Making Framework would apply to the map.

1:00 pm	Welcome – Dana Stefan and Elizabeth McManus (Ross Strategic, Facilitators)
1:05 pm	Updated Attributes – WCAEF <ul style="list-style-type: none"> - Confirm updated attributes to integrate into Pilot Watershed and County-wide maps.
