

ACTIVITY #1 | SEA LEVEL RISE

Are there specific topics that you'd like to learn about related to sea level rise and coastal flooding in Kitsap County?

COMMUNITY MEETING #1

KITSAP COUNTY

SEA LEVEL RISE
VULNERABILITY AND RISK ASSESSMENT

This project is being funded under a Shoreline Planning Competitive Grant received by the State of Washington Department of Ecology under Grant Agreement No. SEASPC-2325-KCoCD-00014.

ACTIVITY #2 | ASSET MAPPING

Which natural and built assets do you consider most important for this assessment?

Think about places like beaches, parks, roads, structures, schools, utilities, and historic and cultural sites.

Mark on the map any specific assets or areas that you are most concerned about or believe are critical for us to assess.
