Goals for this meeting:

1. Overview of Kitsap County Shoreline Master Program Periodic Review
 2. Information about participating in the Board of County Commissioners comment period and public hearing
 3. Update on upcoming work
 4. Opportunity to ask questions of County staff
- 

The background image shows a scenic view of a marina. In the foreground, several boats are docked at a wooden pier. A prominent feature is a covered boat lift structure. In the background, a hillside is covered with dense evergreen trees, and several houses are visible, some with colorful autumn foliage. The sky is overcast and grey.

Kitsap County Shoreline Master Program Periodic Review

- Periodic review required every eight years –
Due June 30, 2021
- First periodic review since comprehensive update in 2014
- Joint Kitsap County Planning Commission and Washington Department of Ecology public hearing and comment period
- **Board of County Commissioners public hearing and comment period**

Purpose of a Shoreline Master Program Periodic Review

01

Align the SMP with applicable state laws and guidelines in effect at the time of the review;

02

Assure consistency of the SMP with the County's comprehensive plan and development regulations; and

03

Provide clarifications to improve usability and predictability of the SMP for applicants and reviewers.

The periodic review process:

- does not include review of ecological functions and baseline conditions
- does not include changes to shoreline jurisdiction or environmental designations
- does not include changes to shoreline maps
