Limited Health Care FSA

The Limited Health Care FSA allows you to pay for out-of-pocket dental, vision and orthodontia expenses with tax-free dollars. Think of the Limited FSA as a tool to pay for all your regular dental and vision expenses throughout the plan year.

- Expenses for you, your spouse and tax-dependents are eligible for reimbursement, regardless of if they are covered on your medical plan.
- The Limited FSA is a pre-funded benefit. This means you have access to your full annual election amount at any time during the plan year.
- Estimating future expenses is an important step as you prepare to enroll in an FSA. The more accurate you are in estimating your expenses, the better the plan will work for you!
