Any certificate or endorsement limiting or negating the insurer's obligation to notify the County of cancellation or changes must be amended so as not to negate the intent of this provision.
- C. The Contractor will furnish the County with evidence that the additional-insured provision required above has been met. Acceptable forms of evidence are the endorsement pages of the policy showing the County as an additional insured or a letter of self-insurance from a public entity risk pool which waives the requirement.
- D. Certificates of insurance will show the certificate holder as Kitsap County and indicate "care of" the appropriate County office or department. The address of the certificate holder will be shown as the current address of the appropriate County office or department.
- E. The Contractor will request that the Washington State Department of Labor and Industries, Workers Compensation Representative, send verification to the County that the Contractor is currently paying workers' compensation.

ATTACHMENT B: STATEMENT OF WORK

Poulsbo Recovery Resource Center and Recovery Cafe

Background

In 2005, Washington State approved legislation allowing counties to raise their local sales tax by one-tenth of one percent to augment state funding of mental health and chemical dependency programs and services. In September 2013, the Kitsap County Board of Commissioners passed a resolution authorizing a sales and use tax for Mental Health, Chemical Dependency and Therapeutic Court Programs. The goal of this tax is to prevent and reduce the impacts of disabling chemical dependency and mental illness by creating and investing in effective, data-driven programs for a continuum of recovery-oriented systems of care.

Project Description

The City of Poulsbo's Recovery Resource Center and Recovery Café provide a safe and supportive environment for individuals in recovery to rebuild stability, health, and connection. The program centers on peer-led engagement, emphasizing consistency, relationship-building, and pathways to wellness. Its goals include:

- Improve the health status and wellbeing of Kitsap County residents.
- Reduce the incidence and severity of chemical dependency and/or mental health disorders in adults and youth.
- Reduce the number of people in Kitsap County who use costly interventions including hospitals, emergency rooms, and crisis services.
- Reduce the number of chemically dependent and mentally ill youth and adults from initial or further criminal justice system involvement.
- Reduce the number of people in Kitsap County who cycle through the criminal justice systems, including jails and prisons.

This program will serve between 275 and 350 unique individuals in 2026.

Project Activities

The City of Poulsbo's Recovery Resource Center and Recovery Café operate side-by-side to provide ongoing, community-based recovery support for individuals experiencing substance use, mental health challenges, and housing instability. Staff deliver a blend of walk-in, appointment-based, and peer-led services designed to remove barriers to care and strengthen long-term recovery. Core activities include peer support engagement; recovery circles and therapeutic groups; in-field and onsite care navigation; coordination with mental health counselors, Substance Use Disorder Professionals (SUDPs),

housing navigators, and vocational specialists; and onsite access to basic needs such as meals, showers, and computers. The Center also offers confidential clinical space where members can receive SUD assessments, counseling, intensive outpatient treatment, and referrals to detox or inpatient care through contracted providers. The Café complements clinical services by fostering community connection through shared meals, volunteer opportunities, wellness activities, and relationship-based support. Together, the Center and Café address immediate needs, support treatment engagement, and sustain long-term recovery through consistent, trauma-informed, and person-centered services.

Project Design

The Poulsbo Recovery Resource Center and Recovery Café form an integrated recovery hub within the County's continuum of care, providing a safe, welcoming, and stigma-free environment where individuals can build stability, connection, and wellness. Recognizing that treatment alone is rarely sufficient for sustained recovery, the project offers peer-led engagement, recovery groups, clinical SUD services, housing and employment navigation, and social support designed to strengthen resilience and reduce crisis involvement. Operating on a membership model to promote belonging and accountability, the Center and Café serve as a bridge to treatment and a support system that helps individuals remain engaged in care. Members receive access to onsite service providers, basic needs resources, and a community setting that encourages sustained sobriety, emotional healing, and personal growth. Grant funding supports two part-time Peer Support Specialists ensuring consistent staff presence and continuity of care. Through this integrated model, the City of Poulsbo reduces homelessness, improves recovery outcomes, and decreases criminal justice and emergency system utilization across North Kitsap.

Project Outcomes and Measurements

The contractor will participate in the Evaluation Plan for Treatment Sales Tax Programs. Programs or services implemented under the Treatment Sales Tax are reviewed by the Community Advisory Committee and monitored by the Human Services Department. The Contractor will have an evaluation plan with performance measures developed in partnership with Sound Within contracted Epidemiologist. The emphasis will be on capturing data at regular intervals that can be used to determine whether Treatment Sales Tax funded programs met expectations. Evidence of Coverage

The City of Poulsbo is a member of the Washington Cities Insurance Authority (WCIA), which is a self-insured pool of over 160 public entities in the State of Washington.

WCIA has at least \$4 million per occurrence limit of liability coverage in its self-insured layer that may be applicable in the event an incident occurs that is deemed to be attributed to the negligence of the member.
