EXHIBIT A: STATEMENT OF WORK

Economic Security for All (EcSA) Community Reinvestment Fund – Kitsap County

Kitsap County, hereinafter called "Contractor" or "Grantee," will work with local partners to expand the Economic Security for All – Kitsap County model by providing incentive payments, Individual Development Accounts (IDAs), business services, and subsidized training funded by the Department of Commerce's Community Reinvestment funding, to help low-income families move out of poverty with a focus on Black, Latine, and Indigenous populations. This includes completion of all activities and all outcomes and deliverables as described in the Statement of Work matrix below and as outlined in the Budget and Performance Form (Exhibit B).

Contractor is responsible for completion of the work described in the Statement of Work matrix below and for providing the deliverables indicated for all tasks. Contractor will submit Quarterly Narrative and Performance Reports to ESD, using the templates provided by ESD, as outlined below in section 2, Key Deliverables and Reporting Guidelines.

ESD will monitor Contractor to ensure proper use of state funds. All fund use must comply with the applicable state regulations and ESD policy guidance. Contractor must track time and effort and conduct oversight and monitoring of all state funds awarded by this Agreement. This contract includes two distinct funding streams:

- Incentive Payments and Individual Development Accounts
- Business Navigators and Subsidized Training

The Incentive Payments and Individual Development Accounts funds can be used judiciously for supporting case management, local policy development, oversight and monitoring, and financial coaching related to the program.

Contractor may begin issuing IDAs only after the statewide IDA policy is developed and finalized by WWA and ESD.

All EcSA participants receiving funding through this contract must be determined eligible based on the eligibility guidelines and must be enrolled as participants in the State Economic Security for All program of enrollment in the Efforts to Outcomes (ETO) management system. Only participants that have been determined WIOA eligible may be co-enrolled in Federal EcSA and/or other WIOA programs. All participant services received must be documented in ETO or its successor.

All performance targets identified in the deliverables section of the table below are specific to this contract and must be unique from Federal EcSA contract performance.

Performance targets will be closely monitored for these funds to ensure local performance is on target throughout the 1.5-year contract period. If an area falls below 100% of their planned spending target at the end of the second quarter, or any quarter thereafter, ESD may consider funding reallocation to other Local Workforce Development Boards that are meeting or exceeding their local performance and spending targets.

Contractor will receive **\$2,002,155** to complete all outcomes and deliverables as described in matrix below by June 30th, 2025.
