- 4.3 Unless otherwise provided in the Contract, the Contractor may submit an invoice to the County once a month for payment of work actually completed to date. Contractor shall use the Department of Human Services Contractor Invoice Form, available from the County. Subject to the other provisions of the Contract, the County generally will pay such an invoice within 30 days of receiving it.
- 4.4 The County will submit payments for work performed to;

The Salvation Army
P.O. Box 886
Bremerton, WA 98337
- 4.5 The Contractor will be paid only for work expressly authorized in the Contract.

- 4.7 The Contractor will not be entitled to payment for any services that were performed prior to the effective date of the Contract or after its termination, unless a provision of the Contract expressly provides otherwise.
- 4.8 If the Contractor fails to perform any substantial obligation, and the failure has not been cured within 10 days following notice from the County, the County may, in its sole discretion and upon written notice to the Contractor, withhold all monies due the Contractor, without penalty, until such failure to perform is cured.

- 5.2 In order to be effective, any contract renewal, amendment or modification must be in writing, be signed by both parties, and be attached to the Contract. Work under a renewal, amendment or modification may not commence until the renewal, amendment or modification has been approved by the County and has become effective.
- 5.3 Either party may request that the Contract terms be renegotiated when circumstances, which were neither foreseen nor reasonably foreseeable by the parties at the time of contracting, arise during the period of performance of the Contract. Such circumstances must have a substantial and material impact upon the performance projected under this Contract, and must be outside the control of either party.

SECTION 6. HOLD HARMLESS AND INDEMNIFICATION

To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless the County and its elected and appointed officials, officers, employees and agents from and against all claims resulting from or arising out of the performance of the Contract, whether such claims arise from the acts, errors or omissions of Contractor, its subcontractors, third parties or the County, or anyone directly or indirectly employed by any of them or anyone for whose acts, errors or omissions any of them may be liable. "Claim" means any loss, claim, suit, action, liability, damage or expense of any kind or nature whatsoever, including but not limited to attorneys' fees and costs, attributable to personal or bodily injury, sickness, disease or death, or to injury to or destruction of property, including the loss of use resulting therefrom. Contractor's duty to indemnify, defend and hold harmless includes but is not limited to claims by Contractor's or any subcontractor's officers, employees or agents. Contractor's duty, however, does not extend to claims arising from the sole negligence or willful misconduct of the County or its elected or appointed officials, officers or employees. For the purposes of this indemnification provision, Contractor expressly waives its immunity under Title 51 of the Revised Code of Washington and acknowledges that this waiver was mutually negotiated by the parties. This indemnification provision shall survive the expiration or termination of the Contract.

SECTION 7. INSURANCE

- 7.1 **Professional Legal Liability.** The Contractor, if it is a licensed professional, will maintain professional legal liability or professional errors and omissions coverage appropriate to the Contractor's profession. The coverage will have a limit of not less than \$1 million per occurrence. The coverage will apply to liability for a professional error, act or omission arising out of the Contractor's services under the Contract. The coverage will not exclude bodily injury or property damage. The coverage will not exclude hazards related to the work rendered as part of the Contract or within the scope of the Contractor's services under the Contract, including testing, monitoring, measuring operations or laboratory analysis where such services are rendered under the Contract.
- 7.2 **Workers' Compensation and Employer Liability.** The Contractor will maintain workers' compensation insurance as required by Title 51, Revised Code of Washington, and will provide evidence of coverage to the Kitsap County Risk Management Division. If the Contract is for over \$50,000, then the Contractor will also maintain employer liability coverage with a limit of not less than \$1 million.

Any additional workers' compensation requirements can be found in Attachment A, Special Terms and Conditions.

7.3 **Commercial General Liability.** The Contractor will maintain commercial general liability coverage for bodily injury, personal injury and property damage, subject to a limit of not less than \$1 million per occurrence. The general aggregate limit will apply separately to the Contract and be no less than \$2 million. The Contractor will provide commercial general liability coverage that does not exclude any activity to be performed in fulfillment of the Contract. Specialized forms specific to the industry of the Contractor will be deemed equivalent provided coverage is no more restrictive than would be provided under a standard commercial general liability policy, including contractual liability coverage.

7.4 **Automobile Liability.** The Contractor will maintain automobile liability insurance as follows (check ONE of the following options):

Not Applicable.

X The Contractor will maintain commercial automobile liability insurance with a limit of not less than \$1 million each accident combined bodily injury and property damage. The aggregate limit will be at least \$2 million. Coverage will include owned, hired and non-owned automobiles.

The Contractor will maintain automobile liability insurance or equivalent form with a limit of not less than \$100,000 each accident combined bodily injury and property damage. The aggregate limit will be at least \$300,000. If a personal lines automobile liability policy is used to meet this requirement, it must include a business rider and must cover each vehicle to be used in the performance of the Contract and the certificates of insurance must evidence that these conditions have been met. If the Contractor will use non-owned vehicles in performance of the Contract, the coverage will include owned, hired and non-owned automobiles.

7.5 **Miscellaneous Insurance Provisions**

- A. The Contractor's liability insurance provision will be primary with respect to any insurance or self-insurance programs covering the County, its elected and appointed officers, officials, employees and agents.
- B. The Contractor's commercial general liability insurance and automobile liability insurance (if applicable) will include the County, its officers, officials, employees and agents as additional insureds with respect to performance of services.
- C. The Contractor's commercial general liability insurance and automobile liability insurance (if applicable) will contain no special limitations on the scope of protection afforded to the County as an additional insured.
- D. Any failure to comply with reporting provisions of the policies will not affect the coverage provided to the County, its officers, officials, employees or agents.
- E. The Contractor's insurance will apply separately to each insured against whom claim is made or suit is brought subject to the limits of the insurer's liability.
- F. The Contractor will include all subcontractors as insureds under its policies or will furnish separate certificates and endorsements for each subcontractor. All coverage for subcontractors will be subject to all of the requirements stated in these provisions.

- G. The insurance limits mandated for any insurance coverage required by the Contract are not intended to be an indication of exposure, nor are they limitations on indemnification.
- H. The Contractor will maintain all required policies in force from the time services commence until services are completed. Certificates, policies and endorsements scheduled to expire before completion of services will be renewed before expiration. If the Contractor's liability coverage is written as claims-made-policy, then the Contractor must evidence the purchase of an extended-reporting period or "tail" coverage for a three-year period after completion of the services.

7.6 Verification of Coverage and Acceptability of Insurers.

- A. The Contractor will place insurance with insurers licensed to do business in the State of Washington and having A.M. Best Company ratings of no less than A-VII, with the exception that excess and umbrella coverage used to meet the requirements for limits of liability or gaps in coverage need not be placed with insurers or re-insurers licensed in the State of Washington.
- B. The Contractor will furnish the County with properly executed certificates of insurance or a signed policy endorsement which will clearly evidence all insurance required in this Section before work under this Contract shall commence. The certificate will, at a minimum, list limits of liability and coverage. The certificate will provide that the underlying insurance contract may not be canceled, or allowed to expire, except on 30-days' prior written notice to the County. Any certificate or endorsement limiting or negating the insurer's obligation to notify the County of cancellation or changes must be amended so as not to negate the intent of this provision.
- C. The Contractor will furnish the County with evidence that the additional-insured provision required above has been met. Acceptable forms of evidence are the endorsement pages of the policy showing the County as an additional insured, or a letter of self-insurance from a public entity risk pool which waives the requirement.
- D. Certificates of insurance will show the certificate holder as Kitsap County and indicate "care of" the appropriate County office or department. The address of the certificate holder will be shown as the current address of the appropriate County office or department.
- E. The Contractor will request that the Washington State Department of Labor and Industries, Workers Compensation Representative, send verification to the County that the Contractor is currently paying workers' compensation.
- F. Evidence of such insurance, as required above, shall be provided to the County at the following address:

Carl Borg
Housing and Homelessness Division
Kitsap County Department of Human Services
345 6th Street, Suite 400
Bremerton, WA 98337
ceborg@kitsap.gov

Upon receipt, the Human Services Department will ensure submission of all insurance documentation to the Risk Management Division, Kitsap County Department of Administrative Services.

- G. Written notice of cancellation or change will be mailed to the County Human Services Department as provided above.
- H. The Contractor or its broker will provide a copy of all insurance policies specified in the Contract upon request of the Kitsap County Risk Manager.

SECTION 8. TERMINATION

- 8.1 The County may terminate the Contract in whole or in part whenever the County determines, in its sole discretion, that such termination is in the best interests of the County. The County may terminate the Contract upon giving the Contractor 10-days' written notice. In that event, the County will pay the Contractor for all costs incurred by the Contractor in performing the Contract up to the date of such notice, subject to the other provisions of the Contract.
- 8.2 If funding for the underlying project or matter is withdrawn, reduced or limited in any way after the Contract is signed or becomes effective, the County may summarily terminate the Contract notwithstanding any other termination provision in the Contract. Termination under this provision will be effective upon the date specified in the written notice of termination sent by the County to the Contractor. No costs incurred after the effective date of termination will be paid.
- 8.3 If the Contractor breaches any of its obligations under the Contract, and fails to cure the breach within 10 days of written notice to do so by the County, the County may terminate the Contract. In that event, the County will pay the Contractor only for the costs of services accepted by the County. Upon such termination, the County, at its discretion, may obtain performance of the work elsewhere, and the Contractor will bear all costs and expenses incurred by the County in completing the work and all damages sustained by the County by reason of the Contractor's breach.

SECTION 9. ASSIGNMENT, DELEGATION AND SUBCONTRACTING

- 9.1 The Contractor will perform under the Contract using only its bona fide employees or agents, and the obligations and duties of the Contractor under the Contract will not be assigned, delegated or subcontracted to any other person or firm without the prior express written consent of the County.
- 9.2 If permitted to use subcontractors, the Contractor is responsible for subcontractor compliance with applicable terms and conditions of this Contract and all applicable laws.
- 9.3 The Contractor warrants that it has not paid, nor has it agreed to pay, any company, person, partnership or firm, other than a bona fide employee working exclusively for the Contractor, any fee, commission percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of the Contract.

SECTION 10. INDEPENDENT CONTRACTOR

- 10.1 The Contractor's services will be furnished by the Contractor as an independent contractor and not as an employee, agent or servant of the County. The Contractor will perform the services in strict accordance with the provisions of the Contract, but will be free from control or direction over the performance of the services.
- 10.2 At least one of the following applies: (a) the services to be provided are outside the usual course of business for which the services are performed; (b) the services to be

provided will be performed outside all of the places of business of the Contractor; or (c) the Contractor is responsible for the costs of the principal place of business from which the services will be performed.

- 10.4 The Contractor acknowledges or warrants that it: (a) is responsible for filing at the next applicable filing period a schedule of expenses with the Internal Revenue Service for the type of business the Contractor is conducting; (b) has established an account with the State of Washington Department of Revenue and any other applicable state agencies for the business the Contractor is conducting for the payment of all state taxes normally paid by employers and businesses; and (c) has registered for and received a unified business identifier number from the State of Washington.
- 10.5 The Contractor warrants that it maintains a separate set of books or records that reflect all items of income and expenses of the business that the Contractor is conducting.
- 10.6 The Contractor acknowledges that the entire compensation for the Contract is set forth in the compensation provisions of the Contract and that the Contractor is not entitled to any County benefits, including, but not limited to: vacation pay; holiday pay; sick leave pay; medical, dental or other insurance benefits; fringe benefits; or any other rights or privileges afforded to County employees or agents.
- 10.7 In the event that any of the Contractor's employees, agents, servants or subcontractors, carry on activities or conduct themselves in any manner which may either jeopardize the funding of this Contract or indicates that they are unfit to provide those services as set forth within, the Contractor shall be responsible for taking adequate measure to prevent said employee, agent or servant from performing or providing any such services.
- 10.8 The Contractor will hold harmless, indemnify and defend the County, its officers, officials, employees and agents from and against any loss or expense, including, but not limited to, settlements, judgments, set-offs, attorneys' fees or costs, incurred or suffered by reason of claims or demands arising in connection with the provisions of this Section.

SECTION 11. COMPLIANCE WITH LAWS

- 11.1 The Contractor, its employees, assignees, delegates or subcontractors will not discriminate against any person in performance of any of its obligations under the Contract on the basis of race, color, creed, religion, national origin, age, sex, sexual orientation, marital status, veteran status or the presence of disability.
- 11.2 The Contractor, its employees, assignees, delegates and subcontractors will comply with all applicable provisions of the Americans With Disabilities Act and all regulations interpreting and enforcing such act.
- 11.3 The Contractor and its subcontractors, employees, agents, assignees and representatives will comply with all applicable federal, state and local laws, rules and regulations in their performance under the Contract.
- 11.4 Religious Activities. If the Contractor is a faith-based or religious organization, it retains its independence and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs. Such a Contractor, however, may not use any funding provided under this Agreement to support or engage

in any explicitly religious activities, including activities that involve overt religious content such as worship, religious instruction, or proselytization, nor may such a Contractor condition the provision of services provided pursuant to this Agreement upon a participant's engaging in any such explicitly religious activities.

SECTION 12. DOCUMENTATION AND OWNERSHIP OF MATERIALS

- 12.1 The Contractor will maintain readily accessible records and documents sufficient to provide an audit trail needed by the County to identify the receipt and expenditure of funds under this Contract, and to keep on record all source documents, such as time and payroll records, mileage reports, supplies and material receipts, purchased equipment receipts, and other receipts for goods and services.
- 12.2 The Contractor will maintain property record cards and property identification tabs as may be directed by County codes and changes thereto. This applies only to property purchased from funds under this Contract specifically designated for such purposes. Ownership of equipment purchased with funds under this Contract so designated for purchase shall rest in the County and such equipment shall be so identified.
- 12.3 The Contractor will provide a detailed record of all sources of income for any programs it operates pursuant to this Contract, including state grants, fees, donations, federal funds and other funds outlined in this Contract, or any amendments or modifications to this Contract. Expenditure of all funds payable under this Contract must be in accordance with the attached Statement of Work.
- 12.4 All reports, drawings, plans, specifications, all forms of electronic media, and data and documents produced in the performance of the work under the Contract will be "works for hire" as defined by the U.S. Copyright Act of 1976 and will be owned by the County. Ownership includes the right to copyright, patent, and register, and the ability to transfer these rights.

- 12.6 An electronic copy of all word processing documents will be submitted to the County upon request or at the end of the job using the word processing program and version specified by the County.

SECTION 13. PATENT/COPYRIGHT INFRINGEMENT

The Contractor will hold harmless, indemnify and defend the County, its officers, officials, employees and agents, from and against any claimed action, cause or demand brought against the County, where such action is based on the claim that information supplied by the Contractor or subcontractor infringes any patent or copyright. The Contractor will be notified promptly in writing by the County of any notice of such claim.

SECTION 14. DISPUTES

Differences, disputes and disagreements between the Contractor and the County arising under or out of the Contract will be brought to the attention of the County at the earliest possible time so that the matter may be settled or other appropriate action promptly taken. Any dispute

relating to the quality or acceptability of performance or compensation due the Contractor will be decided by the County's contract representative or designee. All rulings, orders, instructions and decisions of the County's contract representative will be final and conclusive.

SECTION 15. CONFIDENTIALITY

The Contractor, its employees, subcontractors and their employees will maintain the confidentiality of all information provided by the County or acquired by the Contractor in performance of the Contract, except upon the prior express written consent of the County or an order entered by a court of competent jurisdiction. The Contractor will promptly give the County written notice of any judicial proceeding seeking disclosure of such information.

SECTION 16. CHOICE OF LAW, JURISDICTION AND VENUE

- 16.1 The Contract will be construed as having been made and delivered within the State of Washington, and it is agreed by each party that the Contract will be governed by the laws of the State of Washington, both as to its interpretation and performance.
- 16.2 Any action at law, suit in equity or other judicial proceeding arising under or out of the Contract may be instituted and maintained only in a court of competent jurisdiction in Kitsap County, Washington.
- 16.3 If the Contractor is a federally recognized Indian tribe, the following provision applies: Each party hereby grants a limited waiver of sovereign immunity to suit solely with respect to claims made against it by the other party relating to, or arising under, this Contract. SECTION 17. MISCELLANEOUS

- 17.1 **Authority.** The Contractor certifies that it has the legal authority to apply for the funds covered under this Contract.
- 17.2 **No Waiver.** The parties agree that the excuse or forgiveness of performance, or waiver of any provisions of the Contract, does not constitute a waiver of such provision or future performance, or prejudice the right of the waiving party to enforce any of the provisions of the Contract at a later time.
- 17.3 **Remedies.** All remedies provided for in this Contract will be construed as cumulative and will be in addition to any other remedies provided by law.
- 17.4 **Tax Payments.** The Contractor will pay all applicable federal, state and local taxes, fees (including licensing fees) and other amounts.
