## **SECTION III. RELATIONSHIP OF THE PARTIES**

The parties intend that an independent contractor relationship will be created by this contract. The Consortium is interested only in the results to be achieved, and the conduct and control of the services will lie solely with the Contractor. its acts and for the acts of its agents, employees, servants, subcontractors, or otherwise during the performance of this contract.

In the performance of the services herein contemplated, Contractor is an independent contractor with the authority to control and direct the performance of the details of the work, Consortium being interested only in the results obtained. #### **SECTION IV. MODIFICATION**

No change, addition or erasure of any portion of this contract shall be valid or binding upon either party. There shall be no modification of this contract, except in writing, executed with the same formalities as this present instrument. B. Without Cause

Either party to this contract may elect to terminate the contract without cause by delivering a thirty (30) day written notice of intent to terminate to the other party.

C. Funding

The Consortium may unilaterally terminate or negotiate modification of this contract at any time if its federal, or state grants are suspended, reduced, or terminated before or during the contract period, or if federal or state grant terms and regulations change significantly. In the event of early contract termination initiated by either party for whatever reason, the Contractor is only entitled to costs incurred prior to the time of contract termination.

#### **SECTION VI. LEGAL REMEDIES**

Nothing in this contract shall be construed to limit either party's legal remedies including, but not limited to, the right to sue for damages or specific performance should either party

The failure of the Consortium to enforce at any time any of the provisions of this contract, or to require at any time performance by Contractor of any provisions hereof, shall in no way be construed to be a waiver of such provisions, or in any way affect the validity of this contract or any part, hereof, or the right of Consortium to thereafter enforce each and every provision.
