8. Additional Conditions.

- (a) The period of performance and single budget period for the funding assistance specified in the Funding Approval (“Funding Assistance”) shall each begin on the date specified in item 4 and shall each end on September 1, 2031. The Grantee shall not incur any obligations to be paid with such assistance after September 1, 2031.
- (b) The Grantee must complete Addendum #1 to Agreement “Grantee Indirect Cost Rate(s)” and return it to HUD with this Agreement. The addendum HUD receives from the Grantee will be incorporated into and made part of this Agreement, provided that the rate information is consistent with the applicable requirements under 2 CFR part 200. The Grantee must immediately notify HUD upon any change in the Grantee’s indirect cost rate, so that HUD can amend the Agreement to reflect the change if necessary.
- (c) In addition to the conditions contained on form HUD 7082, the grantee shall comply with requirements established by the Office of Management and Budget (OMB) concerning the Dun and Bradstreet Data Universal Numbering System (DUNS); the System for Award Management (SAM.gov.); the Federal Funding Accountability and Transparency Act as provided in 2 CFR part 25, Universal Identifier and General Contractor Registration; and 2 CFR part 170, Reporting Subaward and Executive Compensation Information.
- (d) The grantee shall ensure that no CDBG funds are used to support any Federal, State, or local projects that seek to use the power of eminent domain, unless eminent domain is employed only for a public use. For the purposes of this requirement, public use shall not be construed to include economic development that primarily benefits private entities. Any use of funds for mass transit, railroad, airport, seaport or highway projects as well as utility projects which benefit or serve the general public (including energy-related, communication-related, water- related and wastewater-related infrastructure), other structures designated for use by the general public or which have other common-carrier or public-utility functions that serve the general public and are subject to regulation and oversight by the government, and projects for the removal of an immediate threat to public health and safety or brownfield as defined in the Small Business Liability Relief and Brownfields Revitalization Act (Public Law 107–118) shall be considered a public use for purposes of eminent domain.
- (e) The Grantee or unit of general local government that directly or indirectly receives CDBG funds may not sell, trade, or otherwise transfer all or any such portion of such funds to another such entity in exchange for any other funds, credits or non-Federal considerations, but must use such funds for activities eligible under title I of the Act.
- (f) E.O. 12372-Special Contract Condition - Notwithstanding any other provision of this agreement, no funds provided under this agreement may be obligated or expended for the planning or construction of water or sewer facilities until receipt

of written notification from HUD of the release of funds on completion of the review procedures required under Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs, and HUD's implementing regulations at 24 CFR Part 52. The recipient shall also complete the review procedures required under E.O. 12372 and 24 CFR Part 52 and receive written notification from HUD of the release of funds before obligating or expending any funds provided under this agreement for any new or revised activity for the planning or construction of water or sewer facilities not previously reviewed under E.O. 12372 and implementing regulations.

- (g) CDBG funds may not be provided to a for-profit entity pursuant to section 105(a)(17) of the Act unless such activity or project has been evaluated and selected in accordance with Appendix A to 24 CFR 570 - "Guidelines and Objectives for Evaluating Project Costs and Financial Requirements." (Source - P.L. 113-235, Consolidated and Further Continuing Appropriations Act, 2015, Division K, Title II, Community Development Fund).
- (h) The Grantee must comply with the requirements of the Build America, Buy America (BABA) Act, 41 USC 8301 note, and all applicable rules and notices, as may be amended, if applicable to the Grantee's infrastructure project. Pursuant to HUD's Notice, "Public Interest Phased Implementation Waiver for FY 2022 and 2023 of Build America, Buy America Provisions as Applied to Recipients of HUD Federal Financial Assistance" (88 FR 17001), any funds obligated by HUD on or after the applicable listed effective dates, are subject to BABA requirements, unless excepted by a waiver.
- (h) Waste, Fraud, Abuse, and Whistleblower Protections. Any person who becomes aware of the existence or apparent existence of fraud, waste or abuse of any HUD award must report such incidents to both the HUD official responsible for the award and to HUD's Office of Inspector General (OIG). HUD OIG is available to receive allegations of fraud, waste, and abuse related to HUD programs via its hotline number (1-800-347-3735) and its online hotline form. You must comply with 41 U.S.C. § 4712, which includes informing your employees in writing of their rights and remedies, in the predominant native language of the workforce. Under 41 U.S.C. § 4712, employees of a government contractor, subcontractor, grantee, and subgrantee—as well as a personal services contractor—who make a protected disclosure about a Federal grant or contract cannot be discharged, demoted, or otherwise discriminated against as long as they reasonably believe the information they disclose is evidence of: 1. Gross mismanagement of a Federal contract or grant; 2. Waste of Federal funds; 3. Abuse of authority relating to a Federal contract or grant; 4. Substantial and specific danger to public health and safety; or 5. Violations of law, rule, or regulation related to a Federal contract or grant.

Instructions for the Grantee’s Authorized Representative:

You must mark the one (and only one) checkbox above that best reflects how the Grantee’s indirect costs will be calculated and charged under the grant. Do not include indirect cost rate information for subrecipients.

The table following the third box must be completed only if that box is checked. When listing a rate in the table, enter both the percentage amount (e.g., 10%) and the type of direct cost base to be used. For example, if the direct cost base used for calculating indirect costs is Modified Total Direct Costs, then enter “MTDC” in the “Type of Direct Cost Base” column.

If using the Simplified Allocation Method for indirect costs, enter the applicable indirect cost rate and type of direct cost base in the first row of the table.

If using the Multiple Allocation Base Method, enter each major function of the organization for which a rate was developed and will be used under the grant, the indirect cost rate applicable to that major function, and the type of direct cost base to which the rate will be applied.

If the Grantee is a government and more than one agency or department will carry out activities under the grant, enter each agency or department that will carry out activities under the grant, the indirect cost rate(s) for that agency or department, and the type of direct cost base to which each rate will be applied.

To learn more about the indirect cost requirements, see 2 CFR part 200, subpart E and Appendix VII to Part 200 (for state and local governments).
