

KITSAP DETENTION FACILITY
Monthly Confinement Report

FROM - 01/01/2025 TO - 12/31/2025

CONFIDENTIAL - NOT FOR RELEASE

Confinement Type: Isolation

** Actual time is not consecutive time. It constitutes the total duration of isolation within a reported event (as defined in RCW 13.22.010) less a juvenile's normal sleeping hours, interim rest hours, any time a juvenile request to spend in their room, rest periods in between facility programming... Additionally, time spent out of isolation for court, programming, or services has also been deducted. **

Age: 17 Race: B Sex: M
