DECLARATION

- 1) I am a: _____ duly qualified member of the CEB or _____ District Truancy Liaison.

- 2) On ____/____/____, a school district representative attempted to meet with the above named student, and/or where necessary his or her parent, for the purpose of addressing the student's unexcused absences and making appropriate interventions. The Truancy Workshop was not successful in its efforts to eliminate the student's unexcused absences due to the following:
 - The student student's parent did not appear for the meeting.

 - The student student's parent appeared and either requested a court hearing on the Stay Petition filed herein, and/or simply refused to sign a Truancy Workshop Agreement.

 - The student student's parent appeared and signed a Truancy Workshop Agreement. Since the time of signing the Agreement, the student has had one or more absences in violation of the Agreement (**a copy of the Truancy Workshop Agreement is attached to this document**).

- 3) Since this petition was filed, the following efforts have been made to improve the student's attendance:

- 4) The case is being returned to the court for review of the petition filed herein. Pursuant to RCW 28A.225.035(6), upon returning the case to the truancy court, the stay of the petition shall be lifted and the juvenile court shall schedule a hearing at which the court shall consider the petition.

For these reasons, I request this Court hold a hearing on the school's petition previously filed and, if necessary, to order the student to attend school as required by RCW Title 28A.225.

I, _____, hereby certify and declare under penalty of perjury under the laws of the State of Washington that the foregoing information is true and correct to the best of my knowledge, information and belief.
